

1  
2 The following is a transcript of a telephone  
3 conversation between D'ANGELO LEE and BRIAN POTASHNIK  
4 on April 21, 2005.  
5 (UI) UNINTELLIGIBLE  
6 (PH) PHONETIC  
7 (Phone ringing)  
8 BRIAN POTASHNIK  
9 (POTASHNIK): Hello.  
10 D'ANGELO LEE  
11 (LEE): BRIAN.  
12 POTASHNIK: Hey, D'ANGELO, how you doing?  
13 LEE: I saw your dad, so we worked it out. He's  
14 talking with CAROL now (UI)...  
15 POTASHNIK: (Laughing) Okay.  
16 LEE: (Laughing)  
17 POTASHNIK: What about?  
18 LEE: You know, so he's over there, I, I, I told 'em I  
19 was gonna bust in on 'em, you know, just to, just to give  
20 her a heart attack. You know, so I...  
21 POTASHNIK: I mean, you know, this whole thing is  
22 over a club house and a pool. What, does she not want  
23 that?  
24 LEE: No, it's over you. She don't like you, and I  
25 told her, I said, you know,...

1 POTASHNIK: Well, what, what did I do to her?

2 LEE: I said, we're not gonna make decisions based on

3 who you like. That's not how we rule on a deal. I

4 said but, I said but I told him to give you, you know,

5 fifteen minutes, and that's it.

6 POTASHNIK: Now what...

7 LEE: She walked out.

8 POTASHNIK: She doesn't like me because I support the

9 mayor, and I'm white, and Jewish.

10 LEE: (UI) and, and so, but nevertheless I...

11 POTASHNIK: Whatever.

12 LEE: Then, then, they're talking to her and ahh, so

13 I said, in a few minutes I'm gonna walk in, and it's

14 over. Move on. (Laughing) (UI) We had a good laugh

15 about it.

16 POTASHNIK: Doesn't she know the Urban League's in

17 the deal, and that we're, you know, really trying to

18 make this a community development?

19 LEE: She (UI). No, no she told ahh, she told ahh,

20 ahh, ahh, JOHN, JOHN and (UI), that I just

21 disrespected her. That I wouldn't let her get in the

22 deal, and that I blocked her in every way. And I

23 would not, you know, I just did everything I could do

24 to block her, and, and wouldn't talk to her, and I

25 wouldn't let her talk to you all, and, you know, I

1 interfered. That, that's what she, you know, so.

2 POTASHNIK: Yeah, meanwhile her, her boy BILL FISHER

3 has stiffed everybody in town.

4 LEE: Right. Right. I told her, I said, you know...

5 POTASHNIK: He hadn't paid anybody. I mean they're

6 all, you know? EUGENE THOMAS, REVEREND JOHNSON, I mean,

7 the list goes on and on.

8 LEE: That's what I told her, I said, you need to be

9 concerned about your own deals. I said, I, mine are

10 doing very well.

11 POTASHNIK: (Laughing)

12 LEE: I said, mine are doing very, very well. I

13 said, and they coming up very, you know, in a, a great

14 fashion, and all, all the (UI).

15 POTASHNIK: She's a piece of work.

16 LEE: You know.

17 POTASHNIK: Well, here's the deal. I've, I've got an

18 opportunity to buy a property across from Scyene Road,

19 across from where, we're building for the Housing

20 Authority. It's in foreclosure, or, it was actually

21 foreclosed on by GE. They have the mortgage.

22 LEE: Mm-hmmm.

23 POTASHNIK: And, GE has offered us, and the only way

24 I can make it work, is if I have DON's support to,

25 ahh, take it before Council to get it excluded from

1 the 1 mile rule.

2 LEE: Okay.

3 POTASHNIK: So, that we could get tax credits and fix

4 it up. It's in pretty rough condition, and it's

5 having all kinds of problems, so, I can't imagine why

6 it wouldn't get that support. But ahem, if you wanta

7 go out and take a look at it, and strategize on how we

8 can do that, let me know.

9 LEE: When, when you wanta do it? You wanta get on,

10 you gonna be in town this week?

11 POTASHNIK: Yeah. I'm here.

12 LEE: Well, you want, you want to get together

13 tomorrow? 'Cause I'm down at City Hall today.

14 POTASHNIK: Okay.

15 LEE: Ahh, let's, let's get together ahem, you want,

16 wanta do lunch tomorrow?

17 POTASHNIK: Yeah, let's do that.

18 LEE: 11:30?

19 POTASHNIK: Yeah, just call me, when you're done

20 doing whatever you're doing. And, I'll either meet

21 you, or you can come to the office, or something.

22 LEE: Okay. That's good.

23 POTASHNIK: Alright, man, I'll see you tomorrow.

24 Alright, thanks.
